How to Draw Earth Day Project for School

KidsFunLearnClub

kidsfunlearnclub.in

Difficulty: Easy · Time: 10-15 minutes · Ages: 4-12

YOU'LL NEED: Pencil (HB or #2) · Eraser · Drawing paper · Colored pencils, crayons, or markers · Black marker for outlines

STEP BY STEP

1. Start by drawing the basic outline shape for Earth Day Project for School using light pencil strokes
2. Add the main features and proportions to your Earth Day Project for School sketch
3. Draw the smaller details like eyes, patterns, or textures
4. Refine your lines and erase any guide marks you no longer need
5. Go over your final drawing with a black marker or dark pencil for clean outlines
6. Color in your Earth Day Project for School using colored pencils, crayons, or markers to bring it to life

■ Parikshet's Tip:

When drawing Earth Day Project for School, I always start from the middle of the page so I have enough room for everything. Running out of space is the worst!
